

India - Employee Benefits

Group Medical Coverage

Health Insurance programs help employees and their families to take care of their essential medical needs. Under this policy, hospitalization and medical expenses incurred by the employee and their families are covered, as per the designed benefit.

Group Personal Accident Insurance

GPA insurance protects its members against accidents leading to disability or death.

Parental Benefit

Paid maternity leave for 26 weeks is available for eligible women employees and 2 weeks paternity leaves for eligible male employees

Time Off

Our holistic leave policy caters to our employee's need to take off for important life events, attend medical emergencies, be there for their families and unwind

Self Education & Training

We encourage our employees to seek development opportunities and engage in continuous learning. Employees can discuss their learning and development objectives with their manager and take it forward
